### OPPOSED BY LOBBY.

#### Effort to Prevent Passage of Immigration Measure.

Washington, Dec. 10.—The largest lobby known in Washington in years is here working to defeat the passage of the immigration bill. It is composed of representatives of the transatlantic and Oriental steamship lines, which see in the enactment of the measure an immense reduction in their revenues. This lobby is most active and is working openly. Its members frankly say they are opposed to the immigration bill because it is a menace to their passenger business.

There is a general impression that the immigration bill will pass the Senate before the end of the session. It was passed by the House last session. The educational test clause will probably be stricken out and then the measure will become a law, even to the clause inserted by the temperance members of the House, prohibiting the sale of liquor in the Capitol.

The House placed this extra-neous provision in the bill expecting that the Senate would strike it out, but the Senators say they are not prepared to bear the odium which will attach to their action if they strike out the House clause. There is a growing suspicion that the friends of the lobby are seeking to delay the passage of the bill by obstructive tactics, but it is not believed they will be strong enough to prevent its passage.

The Senate Committee on Immigration today continued its hearing on the immigration bill, the first witness being William Haywood, representing the Hawaiian Sugar Planters' Association and the Chamber of Commerce of Honolulu. Mr. Haywood's objections were directed solely to the educational test required by the bill. This test, he said, would keep out of Hawaii the only labor that it can obtain and in time would produce financial ruin. The Hawaiian planters, he said, have tried for years at great expense to get white labor to work in the fields, but without success. Japan is now the only country from which labor can be obtained and the educational test would keep out all the Japanese.

Colonel Joseph Smolinski, representing the Polish-American Alliance, also spoke against the educational test. Colonel Smolinski said there are almost 5,000,000 Slavs in the United States. He declared that the Poles make excellent citizens, sober, industrious and notably patriotic, but owing to the restrictions of the Russian, German and Austrian governments on Polish education many good people would be kept out by the educational test and their aspirations for freedom be stifled.

#### The Venezuelan Muddle.

New York, Dec. 10.—The Herald says: On the authority of Isaac N. Seligman, head of the banking house of J. and W. Seligman & Co., it is stated that the Venezuelan Government has empowered the bankers to use their best efforts toward enabling Venezuela to discharge her international obligations. It is not proposed that the Seligman finance a loan for Venezuela. According to Seligman, it is doubtful whether the firm would endeavor to raise such a loan. The firm, however, is to guarantee the payment of the claims.

Isaac N. Seligman when seen at his home in this city tonight said: "The request as made by the Venezuelan Government, through its agent in London is that Seligman & Co. in this city and Seligman Brothers in London co-operate, if possible, with Ambassador Choate and Ambassador Tower in an endeavor to mediate and adjust the present difficulties of Venezuela."

"We are now waiting to learn whether it is possible to obtain such co-operation on the part of the United States Embassadors. What the first step will be I cannot say. The only plan of settlement in sight is for us to guarantee to a committee of the creditors in Germany and England the payment of their claims."

### A SUCCESSFUL INDUSTRY.

#### Puna Guava Jelly and Marmalade to Become Standard.

The Hawaiian Guava Preserving Company at Puna has made a good beginning. This concern is now turning out jellies and marmalades, made from Hawaii's most prolific wild fruit, the guava. A demand exists already, greater than the present capacity of their works. When the guava season is on at its height the output will be increased many fold. The quality of the jellies and other products of the company are of highest grade.

The company has under lease a tract of eight square miles, which is covered with prolific bearing guava bushes. In the season a small army of pickers will be put in the field and the plant run at its highest capacity. Orders from outside of this Island now absorb almost the entire output.

The jelly and marmalade of this company are put up in glass jars, tightly sealed and clamped, and will ship to all parts of the world without deterioration. On the Coast guava jelly has a high reputation and commands a fancy price. All orders should be placed with H. Hackfeld & Co., sole agents.

#### SPAIN'S NEW MINISTRY.

#### Will Reorganize National Defenses on Land and Sea.

Madrid, Dec. 7.—Among the new Cabinet officers, Don Linares, Minister of War, is very popular with the army and in the country, and is credited with extensive plans for the reorganization of the army and the national defenses. Minister of Marine Toca is regarded as an even more thorough advocate of the strengthening and reorganizing of the navy and the naval defenses in every direction. Senor Maura, Minister of the Interior, also favors the restoration of Spain's naval power and altogether the new Government is considered a strong and popular one.

#### Kawalaekua Water.

A visit to the plant of H. L. Williams & Co. at Kapoho, Puna, where the celebrated volcano aerated water is bottled and cased for the market, shows an establishment that is planning for the future. At present, the bottling plant is turning out 5000 to 8000 bottles per day, and orders now in will make it necessary to increase the capacity of the plant as well as the operating force. The general business is expanding rapidly under the management of H. L. Williams. The plant is operated under the direction of F. E. Haley.

#### Relief for Tea.

Washington, Dec. 10.—The Senate and House today both passed the bill introduced yesterday for the relief of the tea importers. This bill permits the withdrawal of tea now in bonded warehouses after January 1st, without the payment of the 10 percent duty. On January 1st tea goes on the free list.

ESTABLISHED 1858.

### CHRISTMAS ANNOUNCEMENT

The favorable news in regard to Sugar, the corresponding rise in all Sugar Stocks, and the general results of the late election, warrant the assumption that this year's Christmas trade will be fully up to the average. For this we have prepared in a more than unusually thorough manner.

In Japanese Ware we have a few of the far famed Satsuma Vases, every piece a work of art; each figure, tiny though it may be, standing out clear and distinct.

Cloisonne Ware with delicate silver thread imbedded in the metal, forming wonderful designs, possible only to a people for whom time has little value. "Imari" bowls and plates, "Kutani," "Awata" and "Kochi" vases, bowls and platters, each make with its own peculiarities, and each with a beauty of its own. Egg shell Japanese ware in Tea Sets, Coffee Sets, Single Cups and Saucers, and a few Bowls, all nearly transparent and in designs quaint and beautifully worked out.

Then too we have the famous Japanese Drawn Work and Embroidery on Grass Linen, an assortment which our agents in Japan have been working up for several months past. Among them are Doyleys, Napkins, Squares, in various sizes. Table Cloths, Table Scarfs, flouncings, etc. and a small but choice lot of Gauze Table Cloths, all perfect in design and finish.

We must not forget the Panels, Silk Embroidered Covers, Photo Screens, Cabinets, etc., all of which are worthy of special mention.

In the "Pina" or Pineapple Fibre Cloth we have a number of beautiful shades. A dress length of this would be a very welcome present to friends abroad, as it is seldom found in American stores.

We have not forgotten the American and European markets, however. From them we have procured a few specialties direct from acknowledged headquarters. In fans, for instance, we have perhaps the best line ever brought into the country. Prices from \$1.00 to \$25 each. Real Shell Combs, Barrettes and Pins, Aigrettes Spangled Butterflies, etc., direct from the makers. No middleman's profit. Some cushion covers in beautiful designs, and pillows for them. Ladies' Silk Umbrellas with pearl and silver mounted handles and many other novelties that cannot be mentioned for lack of space.

Our regular line of Dry Goods, too, is unusually complete, and our stock of trimmings will compare favorably with any in the country. We have silks in Peau de Soie, Crape de Chien, and Taffetas in black and colors, and a few single lengths of Flowered Taffetas and Foulards. Leghorn Hats we trim to order, and have an excellent line of flowers and feathers to select from.

For the gentlemen we have Neckties, in every shape and color, Collars in all the new cuts, Negligee shirts of the well known Monarch brand (which is a sufficient guarantee of fit and style). Initial Silk Handkerchiefs, Pajama Suits, including a few silk ones from Japan.

We are headquarters for Stetson and Panama Hats, and we are making a specialty of a Felt hat in all styles and colors at \$3.00 each. We have a line of suitings that will compare favorably with any Honolulu establishment, and these in single suit lengths. In fact, in this department as in others, our aim has been to make it as complete as possible.

Our Grocery Department as ever is full of carefully selected goods. We carry the celebrated Curtice Blue Label line, Heinz's well known products, C. & B. Jams and Pickles, Spices, etc. and in Meats, Soups and Fish we have the best products of the best factories.

White Label Olives speak for themselves in size and quality and the Olive Oils, and the various condiments are put up in so attractive a manner as to create an appetite if none previously existed. Cranberries, Plum Puddings, and all other good things for the Christmas dinner can here be found and we guarantee their freshness and excellence. Whitman's Chocolates and confections make a fitting finish.

We have only space to mention a few of the headings, hundreds of other articles of equal importance are in stock and it is always a pleasure to show goods and quote prices.

We have just received the sole agency for Horner's Butter, so well and favorably known in this district. This we are selling at 80 cents a roll, full size, about as cheap as cooking butter.

Our motto in our Grocery Department has always been: "Not how Cheap but how Good."
